DICAS PARA IMPRESSÃO:

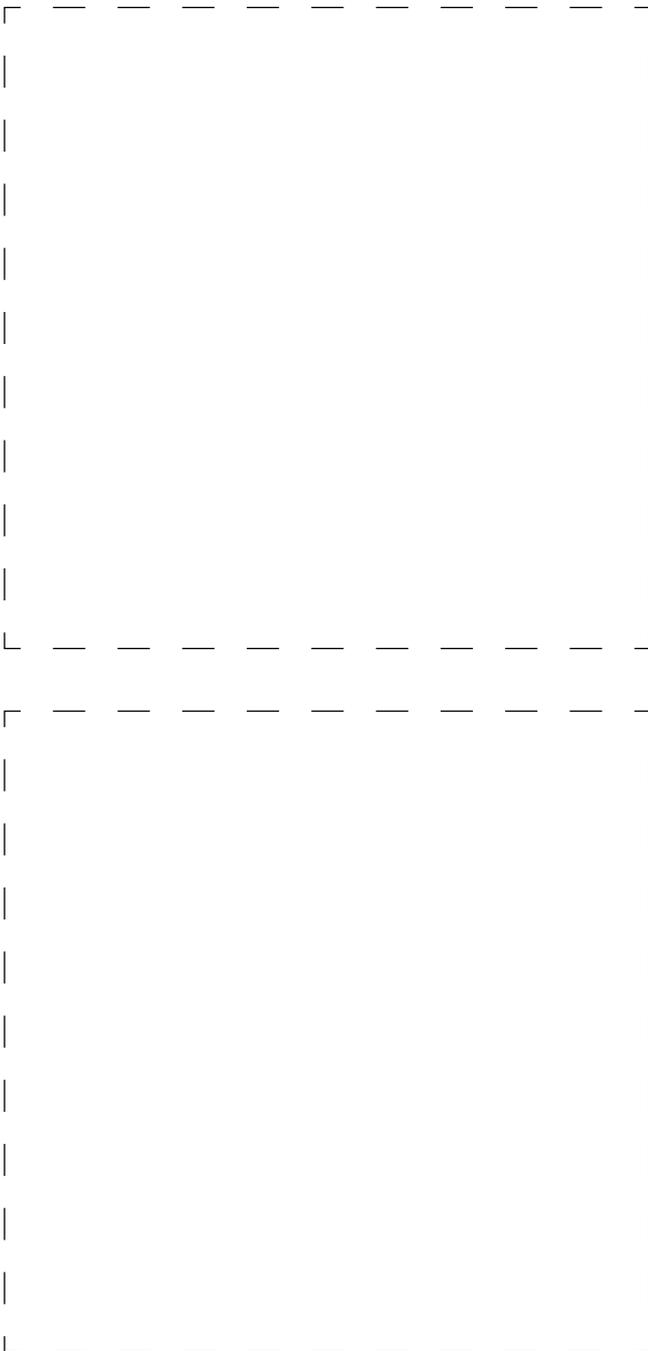

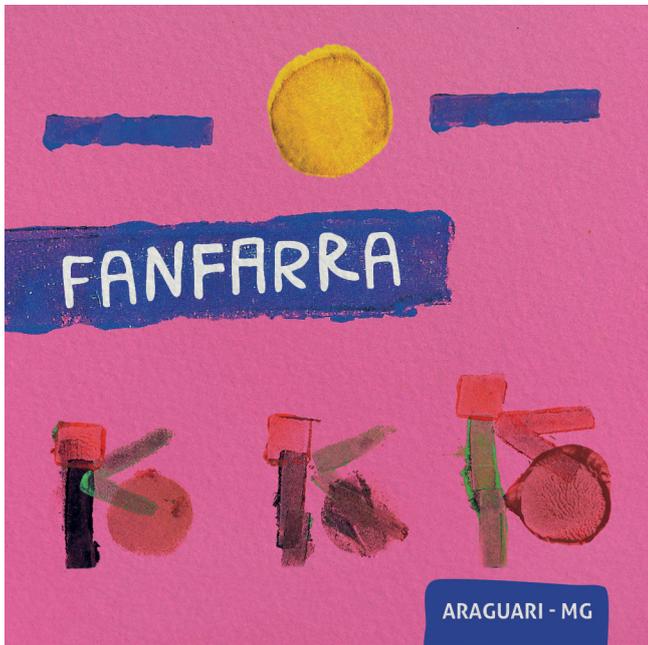

1. Configure o modo "ajustar impressão ao tamanho do papel" para não cortar a imagem.
2. Caso tenha acesso, use um papel mais grosso, como por exemplo 120g ou mais. Assim, suas cartas ficarão mais firmes e vão durar mais.
3. Configure para imprimir frente e verso ou cole a frente da carta no verso (todos os versos são iguais).
4. Você pode imprimir a partir da página 3 deste documento para economizar papel.
